

ATTENTION BOATERS:

If you see either of these flags on the water

**PLEASE SLOW DOWN and
STAY 100 ft / 30 m AWAY!**

If you don't, you could injure or kill a scuba diver!

Aviva Barth Memorial Program

Aviva Barth, a 30 year old scuba diver, was killed when she was hit by a boater passing a dive flag at high speed.

The Ontario Underwater Council initiated the Aviva Barth Memorial Program to raise boater awareness of "Scuba Diver Below!" flags and to prevent incidents like Aviva's from recurring.
